

## **Your 1098-T Tax Form is Now Available**

### **Have questions? We got you.**

#### **What is the 1098-T form?**

When you file your 2020 income tax return, the 1098-T Tuition Statement is what you'll refer to when reporting tuition and related education expenses that you may have paid in 2021.

It's important because it also helps to determine if any education credits or deductions apply to your qualified expenses.

#### **Who needs to fill this out?**

Students who have made payments for qualified tuition and/or related expenses in 2021 will be receiving a 1098-T form.

#### **What do I need to do?**

Students who have requested to receive their 1098-T Tuition Statement electronically should have received an email notification within 24-48 hours.

To access your 1098-T form online, you will need to enter:

- First and Last Name
- Social Security Number
- Zip Code that appears on your 1098-T form

Students who did not request to receive their 1098-T electronically will receive the form by mail. The 1098-T tax forms will be mailed starting January 31, 2022.
